

MIDDLE CREEK ELEMENTARY

Are YOU a Scientist?

Attention 3rd-5th Grade Students Come Join Our 2020 MCES Science Olympiad Team!

Elementary students are natural scientists.

The MCES Science Olympiad program is sponsored by our PTA as an after school science program geared to enhance the opportunities in STEM (science, technology, engineering and math) education.

It is a great way to engage your student in fun, educational activities to learn materials they will cover in future classes.

Students will also meet new friends and gain pride representing MCES.

**We need
volunteers**

Please let us know if you are interested in coaching an event or assisting weekly event meetings!

Student Registration

DECEMBER 15th DEADLINE

Registration for the MCES Science Olympiad Program will be completed using the new MCES mobile app or online.

Please read through the steps below:

1. Students must be available:
 - a. Saturday, March 7th (a.m.) for the practice tournament
 - b. Saturday, March 28th (all day) for the NCSO Tournament at Middle Creek High School.
2. Check the back of this sheet for event descriptions (more detailed descriptions at middlecreekpta.weebly.com/science-olympiad)
3. Verify your child is available to meet on the day the event is scheduled in brackets (see meetings scheduled).
4. Students must participate in at least two events.
5. Students can only sign up for one event in each period and 3 maximum for the entire tournament.
6. The online registration will allow you to select your top three events for each period.
7. Registration cost \$12 and includes a t-shirt (can be waived for financial hardship, please contact the head coaches)
8. To increase school spirit, this year we will be selling extra adult/children shirts for \$10 online.
